

## **Agent Profile Dossier**

**Document Creation Date:** 2021-06-07

**Originating Division:** Signals Intelligence

**Classification Level:** Secret

**Event Date:** 2021-01-17

**Mission Priority:** 2

**Agent ID:** Nightingale-14

**Codename:** Specter

**Real Name:** Dr. Lisa Nguyen

**Nationality:** Vietnamese-American

**Date of Birth:** 1992-02-12

**Occupation:** Electronics Engineer

### **Recruitment History:**

Dr. Nguyen was recruited on 2020-06-15 through the **Vienna Mailbox Network**, a signals intelligence operation targeting East European technical communities. The recruitment was facilitated by Nightingale-7 (senior case officer) and Shadow-12 (signals specialist).

### **Operational Assignments:**

Nightingale-14 has been assigned to the following operations:

1. **Operation Shadow Weaver** (2020-07-01 - 2020-12-31): Provided technical analysis of Soviet electronic warfare capabilities.
2. **Operation Nightshade** (2021-01-01 - 2021-06-30): Conducted signals intelligence collection on suspected Chinese military communications.

### **Psychological Assessment:**

Dr. Nguyen's psychological profile indicates a high degree of technical competence, coupled with a strong sense of loyalty and duty. Her motivations are driven by a desire for intellectual challenge and a need to contribute to the greater good.

### **Performance Evaluations:**

Nightingale-14 has demonstrated exceptional analytical skills, consistently producing high-quality technical reports. Her ability to adapt to new technologies and environments has been praised by her handlers.

### **Personal Background:**

Dr. Nguyen was born in Ho Chi Minh City, Vietnam, and immigrated to the United States with her family at the age of 10. She holds a Ph.D. in Electrical Engineering from Stanford University and has worked as a research scientist at several top-tier institutions.

### **Potential Vulnerabilities:**

Nightingale-14's primary vulnerability is her strong sense of loyalty, which may lead her to compromise her operational security in pursuit of her duty. Additionally, her high level of technical competence may make her a target for recruitment by hostile intelligence services.

### **Technical Specifications:**

- **Primary Skills:** Signals intelligence, electronic warfare, technical analysis
- **Secondary Skills:** Cryptanalysis, network security, programming (C++, Python)
- **Language Proficiency:** English, Vietnamese, German
- **Personnel Security Clearance:** Top Secret

### **Operational Details:**

Nightingale-14 has been provided with a **Polyakov Material**-encrypted communication device and has undergone extensive training in **Technical Surveillance Countermeasures (TSCM)**. She has been assigned a **Dead Drop** location in Vienna, Austria, and has established a secure **Cutout** relationship with a trusted asset.

### **Recommendations:**

Based on Nightingale-14's exceptional technical skills and loyalty, we recommend continued assignment to high-priority operations. However, her vulnerability to loyalty-based exploitation must be carefully managed to prevent operational compromise.
